Speech Topic: Persuasive Speech

Objective:

To persuade is to influence the other person's thinking which can lead to change in their beliefs, and eventually change their behavior. The process of persuasion starts with finding commonality, interest and connecting with the audience. You have to be knowledgeable and sincere in your presentation. It is a process of convincing other people to behave according to your way of thinking.

Suggestions

- Do not use notes so that you sound authentic and confident.
- Organize your thoughts and choose your words carefully.
- Use visual aids or props.
- Use logic as well as emotions to appeal to your audience.
- Research and find audience interest and what touches them.

Speech Time — 3 to 4 minutes (Must speak for at least 3 minutes to qualify and will be disqualified at 4 minutes and 31 seconds)
